RESEARCH EXPERTISE

Primary areas

- ◇ Sign language linguistics
- ◇ Experimental semantics and pragmatics
- ◇ Morphosyntax
- ◇ Co-speech gesture

Specialized interests

- ◇ Event structure and manner modification
- ◇ Classifier constructions in sign languages
- ◇ Age-of-acquisition effects in sign languages
- ◇ Information structure
- ◇ Turkish ideophones and expressivity
- ◇ Morphosyntax of Turkic languages
- ◇ Iconicity across signed, spoken, and gestural modalities
- ◇ Negation and its interaction with (non-)linguistic elements and meaning

Instructor at Swarthmore College

Introduction to Language & Linguistics	Fall 2026
Sociolinguistics: Language, Culture, and Society	Fall 2026

Tutorial head instructor at Harvard University

Sophomore Tutorial: Sign Languages & Linguistics	Spring 2024
Sophomore Tutorial: A Brief Introduction to Sign Language Linguistics	Spring 2023
Junior Tutorial: Understanding Language through Sign Languages	Fall 2022

Teaching fellow at Harvard University

Practicum (Instructor: Jonathan David Bobaljik)	Spring 2024

Language, Structure, and Cognition (Instructor: Adam R. Singerman) Spring 2022
The Science of Language: An Introduction (Instructor: Yağmur Sağ) Fall 2021
Word Structure (Instructor: Jonathan David Bobaljik) Fall 2021

Research assistant at Boğaziçi University
Morphology (Instructor: Mine Nakipoğlu, 73 students) Spring 2019
Phonetics (Instructor: Kadir Gökgöz, 58 students) Spring 2019
Syntax (Instructor: Sumru Özsoy, 58 students) Fall 2018
Phonology (Instructor: Stefano Canalis, 51 students) Fall 2018
Phonetics (Instructor: Kadir Gökgöz, 53 students) Spring 2018
Syntax and Semantics of Modern Turkish (Instructor: Balkız Öztürk, 53 students) Spring 2018
Phonology (Instructor: Kadir Gökgöz, 42 students) Fall 2017

Turkish Language and Culture Program, Boğaziçi University
Instructor of Speaking Course, Pre-Intermediate Turkish Class Summer 2019
Teaching Assistant, Advanced Turkish Class Summer 2018

TEACHING AWARDS, FELLOWSHIPS, AND GRANTS

Dissertation Completion Fellowship Fall 2024–Spring 2025
Harvard University

Mind, Brain, and Behavior Graduate Student Award Spring 2024–Fall 2024
Harvard University ($5000)

Bok Teaching Certificate Spring 2023
Derek Bok Center for Teaching and Learning, Harvard University
Upon completing a multi-semester elective program in pedagogy, teaching, and course design.

Student Recognition of Teaching
Harvard Kenneth C. Griffin Graduate School of Arts and Sciences
Awarded by the Office of Academic Programs for achieving student evaluation scores of 4.5/5 or higher.

- Awarded for Ling 98A, Tutorial Head Instructor Fall 2022

Certificate of Distinction in Teaching
Harvard University
Awarded by the Derek Bok Center for Teaching and Learning and the Office of Undergraduate Education for achieving student evaluation scores of 4.5/5 or higher.

- Awarded for Ling 83, Discussion Section Spring 2022
- Awarded for Ling 104, Discussion Section Fall 2021

Certificate on German 2014
Boğaziçi University, Istanbul
Awarded by the School of Foreign Languages upon completing 21 credits of coursework.

Erasmus Grant Sept 2011–Feb 2012
European Union
Awarded through the Erasmus Student Exchange Programme to study
Applied Language Studies at Lessius University College, Antwerp, Belgium.

INVITED TALKS AND GUEST LECTURES

Sign Languages and Linguistics
Guest lecture at Harvard University
LING-S 101 instructed by Daria Bikina — August 4, 2026
LING-S 101 instructed by Ankana Saha — July 24, 2025
LING 101 instructed by Tanya Bondarenko — November 6, 2024
LING 101 instructed by Yağmur Sağ — November 28, 2022
LING 101 instructed by Yağmur Sağ — November 29, 2021

Sign Language Morphology
Guest lecture at Harvard University
LING 104 instructed by Jonathan David Bobaljik — November 12, 2024
LING 104 instructed by Jonathan David Bobaljik — November 16, 2021

A Visit to the Sign Language World — October 18, 2022
Invited talk
Harvard Undergraduate Linguistics Society (HULS)

RESEARCH PROJECTS

Supporting Sign Language Development of Deaf Children with Hearing Parents through Linguistically-Informed Preschool Stories — 2018–2019
Position: Research Assistant
(funded by Boğaziçi University, #11500)
PI: Dr. Kadir Gökgöz, Boğaziçi University

Language Contact in Turkey: Documentation and Analysis — 2016–2019
Position: Research Assistant
(funded by Boğaziçi University, #1445)
PI: Dr. Aslı Göksel, Boğaziçi University

Contrastive interlanguage analysis of French, Portuguese, Japanese, and Turkish — 2016–2017
Position: Responsible for data collection
PI: Dr. Yuji Kawaguchi, TUFS

ACADEMIC SERVICES

Pedagogy Fellow of Linguistics Department — 2023–2024
Harvard University

Lab Manager of Meaning and Modality Lab — 2023–2024
Harvard University

Assistant Head Tutor of Linguistics Department — 2022–2023
Harvard University

Co-organizer of the Eighth Workshop on Turkic and Languages in Contact with Turkic (Tu+8) — March 4-5, 2023
with Daria A. Bikina
Harvard University, the Department of Linguistics
WEBSITE

Co-coordinator of East Coast Five (ECO-5) on behalf of Harvard University — 2022–2023
with Aljoša Milenkovič

Co-coordinator of Harvard Linguistic Universals Colloquium Series — 2021–2023
with Yuhan Zhang (2021) & Daria Bikina (2022)

Representative of graduate students of Linguistic Department 2016–2017
Boğaziçi University

Conference Reviewer 2023–Present
The Annual Meeting of the Chicago Linguistic Society (CLS)
The Workshop on Turkic and Languages in Contact with Turkic (Tu+)

Journal Reviewer 2026–Present
Folia Linguistica

ADDITIONAL PROFESSIONAL EXPERIENCE

Generative Model Evaluator Aug 2026–Present
Mercor (Project Vault)
Evaluate and compare large language model outputs for instruction following, reasoning quality, factual consistency, and natural language style; provide structured feedback to improve model response quality.

Generative Model Evaluator - Intern Jun 2025–Nov 2025
Mercor (Project Elephant)
Designed and reviewed human-in-the-loop evaluation tasks for large language models, with a focus on linguistic reasoning, semantic interpretation, and model behavior in domain-specific tasks. Developed evaluation criteria and error taxonomies combining qualitative linguistic analysis with quantitative metrics; identified model failure modes to support model diagnostics and robustness evaluation.
